Is Hammered for Sixteen Bingles, and Game Goes A-Glimmering

CINCINNATI, July 14.—Manager Jawn McGraw, who is making a game fight to keep up with the leaders in the Tenor circuit, started his star come-back, Demaree, against the Reds here this afternoon and what they did to his offerings was a plenty. After having the game chucked into the win column, Demaree, who has been all ways an easy mark for the locals, blew in the seventh session and the Reds won out, the score at the end of nine innings being 9 to 5.

The Reds, winners of the age when it comes to hitting the "old apple," had plenty of bingles up their sleeves, and after forcing one run ahead in the seventh inning Eddie Roush came up with two on the sacks in the eighth and smashed one of Demaree's fast ones to the flagpole in center, scoring without the visiting players even reaching the ball home.

Sixteen bingles were made off the New York hurler while Roush, in the early game, then the three runs in the first inning, when he made several bad pitches with sure chances to retire his men. King did fairly well in the second, but gave out eight hits, and this victory, which is his fourth out of five starts, makes Matty's successive string of victories seven.

Giants Start Well
The Giants got off well in the first inning, scoring three, which looked like a sure victory. Burns was passed and Young was safe when King threw wild to Blackburne. Fletcher tried to Blackburne and Doyle was given free transportation. Zimmerman hit to King and Burns was thrown out at home. Wilhoit singled to center, scoring Young, and Zimmerman came home. Roush fumbled the grounder. Holke singled to left, but Wilhoit, who tried to come home from second, was nipped at the home plate.

The Reds had good opportunities to score in the first and second sessions, but it was the fourth before they really broke through. Chase tied to Wilhoit, but he beat out to Doyle. S. Magee grounded to Holke and Blackburne sent in Griffith when he singled to center. Wingo fouled Blackburne at second.

The locals tied the score in the fifth inning and everything was level for them. Groh beat out a hit to Zim. Lee Magee was safe on Fletcher's error. Roush clouted for two to left field, scoring Groh and Lee Magee. Roush was caught at third trying to stretch his hit into a triple. Chase beat out a hit to the pitcher and Griffith fled to Zimmerman.

Giants Again Lead
In the seventh the Giants again went ahead, due mainly to long hitting to the middle garden. Wilhoit tripled to the scoreboard, McGraw holding him at third when a home run was in sight. The Red infield was drawn in, and Holke tripled far over Roush's head in center, scoring Wilhoit. McCarthy singled to left, scoring Holke. On Demaree's grounder McCarthy was forced at second. Burns grounded out, Young fled to Griffith.

The score was 5 and 3 against the Reds. Groh got his third hit of the day, a single to right. L. Magee grounded out, Doyle was lucky enough to stop Roush's single. Chase doubled to left, scoring Groh. Griffith was purposely passed to get Sherwood, the weak hitter, who is hitting at a .275 clip. S. McGee singled to left, scoring him and Chase, who were on the go. The hit-and-run play was successful. Blackburne hit into a double play, but we were one run to the good.

Reds Break Loose
The Giants failed to score in the eighth, but the Reds were there for plenty, scoring three runs after two men were out. Wingo and King grounded out. Groh got his fourth hit of the afternoon, a single to center. Roush hit a home run, clearing the bases. Roush hit a home run, clearing the bases. Roush hit a home run, clearing the bases.

Chase, up for his last time, was anxious to equal the hitting record of Groh for the afternoon and promptly singled to left. He was caught napping, however, but had the whole game moving him up and down the path between first and second.

La Sultanas Win Soccer Title by 3 to 2 Victory
By winning the last and what proved to be the deciding game in the annual championship series of the Metropolitan Football League at Grand Avenue Oval, in Astoria, the crack La Sultana soccer eleven of that place yesterday captured the championship for 1918, thereby bringing to a close a season which had been unusually prolonged on account of the hard winter and sundry cup replays.

The White Rose team opposed the new champions in yesterday's match and suffered defeat by the close score of 3 goals to 2, notwithstanding that the winners played a full eleven against a short-handed side of ten.

The final score was: White Rose (3), La Sultana (2). Goals: White Rose (2), La Sultana (2). Goals: White Rose (2), La Sultana (2).

Chick Evans and Hagen Beat Western Golf Stars
CHICAGO, July 14.—Chick Evans and Walter Hagen to-day won a Red Cross match from Jack Hutchinson and Robert McDonald, Chicago professionals, in the series of Red Cross exhibitions given by the Western Golf Association. To defeat the professionals Evans had to shoot par 72 over his own course and Hagen 73, while Hutchinson 74 and McDonald 75 to cover the 6,210 yards. A gallery of 3,000 persons contributed \$10,000 to the Red Cross.

Larger Fields Expected Soon At Empire City

Stables Are Coming From Middle West, Also Several Good Jockeys

The opening of the annual summer meeting of the Empire City Racing Association at the Empire City track, near Yonkers, Saturday afternoon proved most conclusively the great hold that the thoroughbred sport has regained on public sentiment. Transportation facilities to the Empire City track, as compared with other metropolitan courses, are anything but ideal, yet the Yonkers plant was taxed to its utmost capacity opening day.

Though the fields were light, as compared to Aqueduct, the competitors rallied to form, and the performance of Roamer in the Empire City Handicap, when it equalled the record for a mile and a furlong, proved the track had been put in excellent condition for the meeting.

The fields on Saturday were light, as has been said, in comparison to those of Aqueduct. A glance at to-day's entries appended shows that they will be again light this afternoon. But it is not to be presumed that this state of affairs will long continue. Facilities for transporting horses this year, because of the war, are meagre in comparison to other racing seasons, to say the least. Indeed, it has been a great task for the owners to make the short from Aqueduct to Empire City.

More and more horses will arrive at the Empire City course each day, and in the good ones that have been seen in the East so far are almost sure to try conclusions in the coming stake engagements there.

Western Stables Coming
It is the element of uncertainty which edifies every sport. And the element of uncertainty is quite likely to prevail in striking fashion at Empire City before the race meet concludes. So far in the East the competition has been confined to horses that campaign only on the Atlantic seaboard. But now that the racing season has been concluded in the Middle West, the best of the Western stables will come to Empire City to try for the rich stakes and purses.

Always the Western stables have been on hand for the Saratoga meeting through August. This year, as there is nothing more doing in the Middle West or in Canada, they will come in force, breaking the ice with a colour at Empire City. The Westerners have reserved a great many stalls at Empire City and should be in force before the end of the season.

Riding Has Been Mediocre
Fauquier and Robinson have been good and bad by turns. The same holds for Johnny McLaughlin. Johnny Loft was the king pin of the riders when he was set down by the Macomber Stable. But, taken by and large, the work of the riders has been mediocre. The East has been nothing to brag about this season.

The arrival of the Western jockeys this week is likely to prove a needed tonic. Certainly there will no longer be occasion for stables to employ the services of mediocre riders, as boys who have been getting by with mediocre skill will then have to meet the P's and Q's.

There are a lot of good riders coming from the Blue Grass section. H. Lunsford, who has been a regular winner at the Harristown stakes at one time, is one of the best. He is a three-year-old, to which half a dozen good ones have been named.

Following are to-day's entries for the Empire City track: FIRST RACE—Two-year-olds, colts and fillies, 110 yards.
